SWAN ANNUAL GENERAL MEETING Sunday 27 September

The past year has seen a whirlwind of activity, much of it associated with our 30th Birthday celebrations. We've been fortunate to have hosted some outstanding, passionate and deeply committed guest speakers. Informal and sociable coffee catch-ups in between our speaker meetings have continued to attract long-time members and fresh faces alike. Moreover, SWAN working groups advocating for housing justice and against gender-based violence have made significant progress; and members have continued to actively support First Nations people, locally and via state and national campaigns.

As we approach the end of an amazing year, it's time to look ahead. Our Annual General Meeting is a chance to do so. We hope you can join us to look back on what we've achieved together and help shape the year ahead. We are keen to hear fresh ideas to help promote SWAN's vision of a more just and equitable society.

PLEASE NOTE:

Committee Nomination Forms, Proxy Forms and relevant notices will be emailed to the membership approximately two weeks before the AGM – look out for them in your 'in-box'.

ARE YOU INTERESTED IN A MORE ACTIVE ROLE IN SWAN? THE COMMITTEE NEEDS YOU!

With the SWAN Annual General Meeting coming up at the end of September, we are inviting members to consider whether joining the Committee of Management (COM) might be of interest.

We realise that before making such a commitment, people would appreciate an opportunity to learn a bit about what we do and what is required of SWAN COMMITTEE members.

So, we've decided to hold **a special meeting to bring together those who might be interested in considering a COM role**, to hear directly from current members and to ask questions about what is involved.

Send expressions of interest to swanwomen@outlook.com by Monday 7th September and we will be in touch regarding a meeting date.

Joining the COM is a wonderful opportunity to share your views and contribute directly to SWAN's strategic direction, activities and projects as we move forward. Meetings are generally held every second month. Committee Members are invited to take responsibility for tasks within their areas of skill and in view of their personal time commitments.

SWAN Speaker Event: Rosie Batty

On Sunday 27 September, following our SWAN AGM, guest speaker Rosie Batty AO will address the membership. Through her personal journey, Rosie's advocacy work continues to be highly influential in challenging systemic issues and in providing personal empowerment to women who have and are experiencing domestic violence.

Rosie BATTY AO

SWAN's Next
Guest Speaker

A Leading Voice Against Domestic Violence

When her 11-year-old son Luke tragically lost his life at the hands of his father, Rosie Batty was catapulted into the media spotlight. With fierce determination and incredible courage, Rosie channelled her grief into a tireless and inspirational crusade against domestic violence, becoming **a powerful catalyst for systemic change.**

From being named **Australian of the Year** to receiving the Pride of Australia National Courage Medal and the prestigious Order of Australia, Rosie's accolades speak volumes about the indelible mark she has made. But perhaps Rosie's most enduring legacy lies in her innate ability to inspire others. By sharing her own journey of healing and resilience, she **has empowered countless others to find hope in the face of adversity.**

Ten years after Luke's murder, Rosie published her second book **'Hope'** (Harper Collins, 2024) an inspiring and deeply moving book about how she battled unbearable grief to reclaim hope and find peace when all hope was lost. **In her SWAN address, Rosie will reflect on her journey since losing Luke, discuss her advocacy work and share insights and wisdom that she has gained over this time.**

SWAN Coffee Catch Up

On 16 August, a sunny Sunday morning, nine SWAN members made the journey to 'All Smiles' Coppins Cafe, 250 Ocean Beach Rd, at Sorrento Back Beach. And it was worth it. Most likely our favourite destination to date. As we drank in the stunning seascape, many reminisced about childhood and family memories of swimming in the Sorrento Back Beach rock pool and the fact that the tiny basic kiosk of the past had transformed into a comfortable, upmarket café and unique event space, often used for weddings. Marilyn carpoled, bringing Val and Viv, sharing their company and good conversation on the scenic drive along Point Nepean Road there and back from Mornington.

When asked about the highlights of this Coffee Catch Up, big smiles and favourable comments like "amazing ... splendid views" came from Lynn, Mary, Rosemarie and Lyn, with Lyn adding "and getting to know SWAN members better was super!". Val regaled how this location showcased "The beauty of the Australian landscape". Other conversation topics included upcoming overseas trips and health concerns. In particular, concerns around 'hidden sugar' in food we buy and the potential of sugar as poisonous to our health. However, that didn't stop some of us indulging in their yummy homemade scones! The café also excelled at the craft of making a good frothy cappuccino which took Rita and Moz back to the bohemian days of Brunswick Street Fitzroy, discovering they both frequented the iconic Rhumbarella's Café in the 1980s!

We all felt richer for the experience, not just because of the location but also with gratitude for one another's company. The café even provided binoculars for us to make the most of the dramatic scenery. Definitely one we will be returning to ...

SWAN Women for Housing Justice

SW4HJ group are buoyed following the announcement by the State Government regarding funding for **Assertive Outreach Workers for the Mornington Peninsula**. We have continued our advocacy work by meeting with LAUNCH Housing CEO Sherri Bruinhout along with their Head of Housing & Health Outcomes: a very productive meeting that has given us some new ideas about our next steps. LAUNCH has invited us to tour their 'HomeGround' housing site in Melbourne which we will do in following weeks. It is essential that this type of transitional housing is in keeping with our local needs and environment here on the Peninsula.

We also received an excellent reply to our most recent letter written by Belinda Rodman to the State Housing Minister The Hon. Nick Staikos MP, highlighting the lack of out-of-hours services for those homeless seeking somewhere to stay. The letter highlighted a particularly serious local case and clearly demonstrated our lack of support service provision in the immediate area. We are very pleased that the Minister, following our meeting with him and our correspondence, is investigating this urgent matter.

Excerpt from the Minister's letter to SWAN: *I commend the ongoing work of the SWAN Women for Housing Justice Group across the Mornington Peninsula and thank you again for sharing your recent experience. The issues you have raised have initiated a review of current arrangements for after-hours support and will help inform Homes Victoria's work to improve access to homelessness assistance.*

SW4HJ has also asked the candidates in the MPSC Briars Ward by-election to partake in a PLEDGE to support our housing and homelessness key issues. Keep a lookout for their responses on SWAN social media's Facebook and Instagram, especially if you are a voter in the Briars ward.

Finding Home is an upcoming community event raising awareness about homelessness on the Mornington Peninsula. Through the sharing of knowledge from frontline workers, the event will shine a light on the people and circumstances behind homelessness and challenge the assumptions that surround it. Together, we'll hear honest stories, explore the realities of homelessness in our local community, and look beyond the problem to discover **real solutions that can make a difference.**

Finding Home is being held on **September 13th** at **Balnarring Community Hall**, with tickets available via HUMANATIX. Go to events.humanitix.com/finding-home-mp

We invite you to listen, understand and connect, and to ask what we can do together to help ensure that everyone on the Mornington Peninsula has a safe place to call home.

MOONAH HOUSE HAS TAKEN AN IMPORTANT STEP FORWARD

We are delighted to share a deeply meaningful milestone: Moonah House has secured our first property. Following renovations, the goal is to welcome Mornington Peninsula families before Christmas. This brings us closer to our purpose: providing safe accommodation and support services so women and children fleeing domestic and family violence can rebuild their lives and thrive. For the women and children Moonah House will support, this property will be more than a roof over their heads. It will be a place of safety, practical support, connection and new beginnings.

We could not have reached this point without our community's generosity. Your encouragement, belief and support have helped turn a vision into something real, and show what is possible when community organisations, volunteers, partners and supporters come together to create safer communities. There is still much to do as we prepare the property, build services and continue fundraising. **Our goal is for Moonah House to be sustainably supported by the community it serves, so this essential community infrastructure can be there for women and their children of Mornington Peninsula when they need it most.**

We hope you will continue to support Moonah House in whatever way you can. Whether by making another donation, encouraging others to give, or through helping raise awareness of this important local work. **Please tell your friends, family and networks about Moonah House and the role we can all play to create safer communities for women and children escaping domestic and family violence.** Every contribution will help prepare the property, establish essential supports and ensure women and children on the Mornington Peninsula have a safe place to turn when they need it most.

Please donate by clicking on the logo above or email contact@moonahhouse.org.au to discuss fundraising, corporate sponsorships or other ways to contribute.

Because of your support, Moonah House is closer to offering safety, dignity and hope to women and children when they need it most.

With heartfelt thanks, Marilyn Kearney and Despi O'Connor, Co-Chairs, Moonah House

Begun in 1991, it is an annual international campaign that puts the spotlight on calls for the prevention and elimination of violence against women. Mornington Peninsula Shire and Frankston City Councils are working together on ideas and will apply for funds from grants made available by **'Safe & Equal'** for '16 Days of Activism' events. 'Working Together with Men' by Health West Partnership Victoria:

<https://apo.org.au/sites/default/files/resource-files/2020-05/apo-nid317356.pdf>

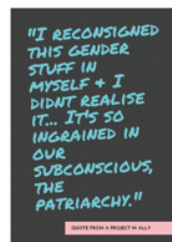

What is this resource and who is it for?

This resource aims to be an inspiration and guide to assist you to create your own community mobilisation movement that engages men at the grassroots in efforts to prevent violence against women.

Working Together with Men is a movement model that was attempted in stages across the west of Melbourne between 2016 and 2020. It has seen men of all ages and backgrounds rise to the challenge to become allies for equity and attempt to make change, both on a personal level and within their communities.

The model attempts many things, but at its heart is gender-transformative work and partnership work. It is a model in which men and women, as well as services, organisations and institutions, work collectively to find ways to create a safer and more supportive world for all of us.

This resource can be used as a step-by-step guide for creating your own Working Together with Men project. Or if you are looking for new ways to engage and work with men, this resource can provide you with tips, activities and ideas to support you in your prevention efforts.

MEALS ON WHEELS

Wednesday 2nd September at 3.00pm.
